

Volunteering with Mississauga Chinese Christian Network (M2CN)

By delivering three major Chinese Christian newspapers (*Christian Herald, Truth and Family*) to various locations in a regular basis, volunteers of M2CN play an invaluable role in enriching the lives of Mississauga Chinese citizens, especially those who are in need and not knowing the gospel yet.

We are looking for compassionate individuals who are interested in making a difference in the lives of others. These individuals have good responsibility, physical skill to transport newspaper load, enjoy being part of a team and can spare as little as **two hours** per month to perform the delivery.

- Serving God in a non-church setting, good outreach opportunity
- Developing social contacts and new friendships with other team members
- Enjoying a sense of purpose and personal satisfaction
- Giving back to your community
- Learning and growing
- Enjoying a new experience

If you meet these qualifications we would love to discuss with you this volunteer opportunities.
